

# Home School Checklist

The Chicago Academy for the Arts recognizes a family's right to choose home schooling as an option for their child. In order to be considered for admission, families must submit the following materials:

- Detailed description of the home school teaching environment (name of instructor(s), method of instruction, number of hours of instruction per day)
- Titles and Descriptions of courses in completed in each year of home-schooling (corresponding with required transcripts) with a course listing of credits earned and testing instruments used.
- Grades for each course taken with a description of the grading standards
- Any Standardized Test Results dated within the last year
- Name of home school curriculum being utilized and/or list of text books used for home school courses.
- A Personal Statement that describes:
  - ◆ What factors contributed to your decision to home school your child?
  - ◆ How do you feel your child will perform in an independent school environment both academically and socially?
